# A Journey Through Christian Theology Color Cartoons CD Index Introduction

The intent of this CD ROM is to provide:

- color versions of the cartoons used in A Journey Through Christian Theology, for those who prefer color;
- 185 cartoons, 143 more than the book - for cartoon buffs; and
- a library of cartoons for instructors who would like to use the cartoons in multimedia presentations for classroom use.

The cartoons are at 300 dpi for optimum viewing and viewgraph creation. They are presented at reduced dimensions in the HTML index (open by clicking on [index.html](#) or [FramedIndex.html](#) to begin viewing).

A runtime slideshow for each chapter is also provided to see the cartoons at screen size. Open from your file manager (e.g., Windows Explorer) by double-clicking on A\_Journey\_Introduction.exe.

Slideshows can also be launched from the CD Start-up Menu ([A Journey.html](#)) or the launch page ([SlideIndex.html](#)).

For best viewing set your monitor at 1024x768 OR 800x600 pixels (640x480 pixels may not display the entire cartoon).

Graphic file formats included on this disk include: GIF and JPG formats. They are stored by chapter and then by file name. The JPG and slideshow files (\*.exe) are in the same directories as the GIF files.

**NOTE: This HTML index is intended for locating the desired cartoons only and is not to be used on-line. For best viewing of the cartoon files use the runtime slideshow provided (for Windows 95/98 systems), a graphics program, such as PhotoShop (tm Adobe), or drag and drop the cartoon files from your file manager into your internet browser (to see it at full size).**

## CARTOONS from the INTRODUCTION:

Introducing Adam & Eve:

It seemed appropriate to have Adam & Eve be our tour guides on this trip, since, you might say, they got us into this mess! We will use their collective experience to provide commentary on deep theological issues (e.g., gardening, farming and childbirth). After all, they should know what NOT to do by now!

# A Journey Through Christian Theology Color Cartoons CD Slideshow Launcher

Depending on your HTML (web) browser's security settings, launching from this HTML page may require answering a few questions regarding the executable files each time you launch. If so, see the instructions at the bottom of the page. Another good way to launch a slideshow is from Windows Explorer by double-clicking on the \*.exe file on the CD.

Note: A slide in the slideshow is simply a jpg file displayed as a slide.

Redeeming a Fairy Tale?

Letty Russell

Will you marry me if I promise to give up my male chauvanistic pride?

Hey! Why the sudden talk of commitment? You're not trying to exploit me are you!?!

No, no. I like being a frog, it's just that I really love you ...

Have you ever kissed a frog?

No. Only a toad.
